

Subfund Group Table

The Subfund Group is a six digit field and is made up of three FRS attributes. The first and second digit is the FRS Fund Group (40-Unrestricted, 43-Restricted, 46-Loan, 48-Plant, 49-Agency). The third digit is the FRS Support Indicator (1-State, 2-Self Support, 3-Dedicated, 4-Nonbudgeted). The fourth digit is the FRS Campus Code (UMCP-1). The last two digits are sequential numbers used to further break down the sub fund groups.
